

SPORTS SECTION

Sports is a section of the Physical Education Division

Implementing a sports program can be of tremendous benefit to the Christian school. Godly coaches can use sports to teach character and self-control. Sports can also be used as an instrument to create and promote school spirit and teamwork.

Regional and South Pacific Student Conventions are not intended to be tournaments to determine state and national championships.

Students competing in any P.E. competition should observe the general guidelines as stated in this section. Carelessness on these points could disqualify a contestant.

Boys will compete against boys and girls will compete against girls in ALL events as listed below. A student may enter five (5) events in the Sports Section, but a total of 7 events across the Physical Education Division.

Remember, students must enter and participate in events in more than one division.

TABLE TENNIS

SINGLES & DOUBLES

For general rules, you should consult those adopted currently by International Table Tennis Associations. NOTE: Where there may be a conflict of rules, SCEE Guidelines will have precedence.

1. All students **MUST** wear clothing which conforms to the Convention Dress Code as found in the Introduction to Convention Guidelines on page IN. 16. (See also Physical Education Clothing on page SP.2). **Contestants must compete with shoes on both feet.**
2. The **bat** may be any commercially produced bat with rubber sheets. There are to be no holes or damaged portions on the rubber sheets; sandpaper, cloth or bare wooden surfaces are not allowed. **Students must supply their own bat.**
3. **Warm-up** may be no longer than one (1) minutes.
4. A **game** is won by the player/team who **scores 11 points** unless both players/teams score 10 points, then the game is won by the **player/team who leads by two points** i.e. 12-10 or 13-11 etc. A **match** shall consist of the best two (2) out of a maximum of three (3) games.
5. Players/teams **change ends** after every game. If a third game is required, players/teams change ends once the first player/team scores five (5) points in an eleven (11) point game.
6. A player/team scores a point when their opponent either fails to make a good serve; fails to make a good return; obstructs the ball; allows the ball to bounce twice in their court; strikes the ball twice in making one return; moves the table while the ball is in play; touches the playing surface with their free hand; or touches the net or its supports while the ball is in play.
7. A **legal serve** is one where the ball is placed on the palm of the free hand; it must be stationary, above the table, and behind the serving end line. The server must toss the ball without imparting spin so that it remains visible to the umpire at all times. The server then uses the bat to strike the ball on its descent. The ball must first touch the server's court and then go over the net, touching the receiver's court. If a player misses the ball while attempting to serve they lose the point.

SINGLES Specific

1. In Singles, the ball can bounce anywhere on the table during service, as long as it still meets the legal serve requirements.
2. After every two (2) points the server becomes the receiver and the receiver becomes the server in an eleven (11) point game.

DOUBLES Specific

1. In doubles, the ball can only bounce on the right half portion of the table for both the server and the receiver. Like the singles game, the service still alternates every two points between teams, but it also alternates between players on the same team. Once your team has finished your two serves, you swap sides with your partner. The person you were serving to now serves and your partner is the new receiver.
2. Doubles matches have a certain order of play that must be followed. Imagine two teams ... players A & B and players X & Y. Player A serves to player X who then returns the ball. Player B must then play the next shot and player Y the shot after. This pattern goes on (A, X, B, Y) until the point is decided. If the wrong player makes the return, the team loses the point.

FOOTBALL KICK

1. A **standard**, leather, rugby football must be used by all contestants and will be provided by SCEE.
2. The ball **must** be properly inflated and will be checked by the event Judge.
3. Shoes must be worn on both feet at all times.
4. The kick will be taken down a marked 10 metre wide "alley" from behind a marked kicking line. A successful kick is one that lands in the alley on the first bounce.
5. Any method of kicking is permissible. In a place kick, all of the ball must be behind the kicking line. In any other kick the contact of the foot with the ball must be completed behind the kicking line, and no part of the body is to be grounded over the line in any follow through.
6. Each contestant is permitted three competitive kicks.
7. When attempting to perform a kick any contact with the ball will constitute a kick.
8. The event is judged on length of a successful kick measured at right angles from the kicking line to the point where the ball first hits the ground.
9. In case of a tie, the tied contestants will each be allowed one more kick which will be considered a tie-breaker kick.
10. In order to place in this event students must kick a minimum of 10m.
11. All measurements are to be recorded to the nearest five millimeters.
12. A football tee may be used. Students must provide their own tee.

SOCCER KICK

1. A **standard #5** soccer ball must be used by all contestants. SCEE shall provide a regulation ball and net.
2. The ball **must** be properly inflated and will be checked by the event Judge.
3. Competitors **must** compete with shoes on both feet.
4. A successful kick is one that passes into the net without touching the ground. It must be in flight when it passes over the goal line. The whole ball must be over the line for the kick to be successful.
5. Contestants may take no more than two approach steps.
6. When attempting to perform a kick any contact with the ball will constitute a kick.
7. All contestants start at 10 metres.
8. Each contestant is allowed three (3) attempts at each set distance. They may pass if they so desire.
9. After all contestants have either passed or attempted the kick, the ball is then moved back 5 metres.
10. Continue the above process until a winner has been determined.
11. A record of failures and successes shall be marked for all contestants. An “**X**” will stand for a miss, an “**O**” will stand for a successful attempt, and a “**--**” will stand for a pass.

EXAMPLE:

	20m			25m			30m			35m		
Joe Bloggs	O			X	X	O	--			X	X	X

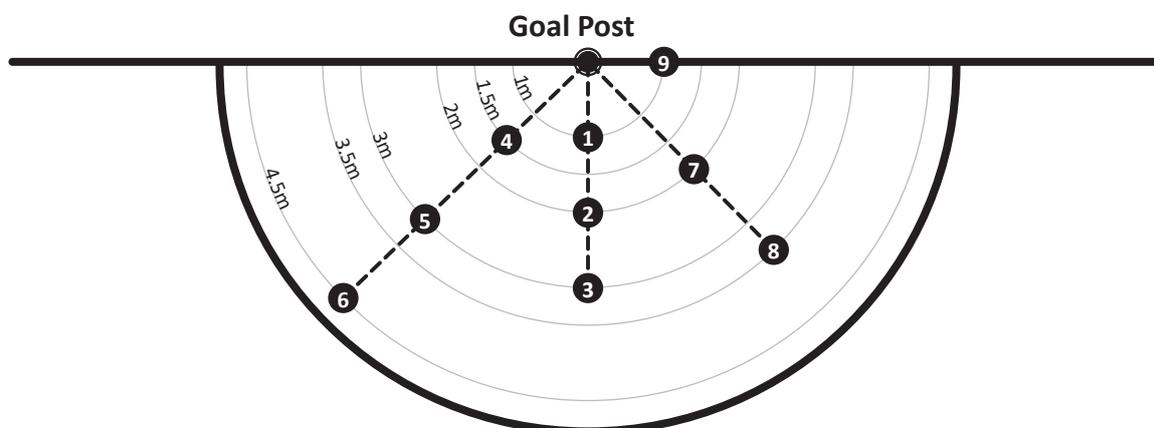

12. The winner shall be the person who has made a successful kick from the longest distance. In the case of a tie, the person with the fewest misses at each previous length, considered consecutively, shall be declared the winner. If the contestants still remain tied, a kick-off shall occur and be judged again on fewest misses at a nominated length.
13. After all other contestants have failed, the one contestant left has the right to continue kicking until they have three consecutive misses.
14. In order to place in this event contestants must score a goal beyond 10m.

NETBALL SHOOT

1. A standard netball must be used by all contestants. SCEE will supply the ball and the goal ring. The ring is to be set to the standard netball ring height of 3.05 m.
2. The ball must be properly inflated and checked by the event Judge.
3. A shot is deemed successful when the ball drops from above and passes through the goal ring without first touching the ground.
4. Contestants begin shooting one shot at each marked spot from 1 to 9. The remaining three shots may then be taken from any marked spot.
5. Contestants must stand behind the designated **line** until the ball is released from their hand(s).
6. A shot is deemed to have been made once the ball leaves the contestant's hand(s).
7. A shot is deemed illegal and does not score points if any part of the contestant's feet is placed over the line **before** the ball is released from the contestant's hand(s).
8. The contestant who earns the highest number of accumulated points from the twelve attempts is declared the winner.
9. In the case of a tie, contestants shall attempt to shoot a goal each in turn, commencing at marked spot 1 to 9, until one contestant fails to score a goal.
10. In order to place in this event contestants must score a minimum of 15 points.

POINTS AWARDED:

1m	line =	5 points
1.5m	line =	10 points

8. **Overtime** will be three (3) minutes in duration when needed.
9. A goal is scored when the ball enters the basket from above and passes through the net. If one or both of the shooter's feet are on or inside the three-point line when the shot is initiated, the successful shot will be scored as two (2) points; if neither of the shooter's feet are on or are inside the three-point line when the shot is initiated, the successful shot will be scored as three (3) points. A successful free-throw attempt will be scored as one (1) point.
10. Tied scores at the completion of the game will result in a penalty shoot-out from the penalty line. The referee will choose which goal is to be used and each team is to select 3 players from their registered team, announcing these players to the referee prior to the shoot-out commencing. If the ball hits the net but still lands in the receiver’s service court the serve is replayed. If the ball fails to land in the service court or if the server steps on or over the baseline, it is called a fault. The player is allowed one (1) fault, and retakes the serve. If the player faults on the second serve a double fault is called, and the player loses the point.
